

Citizen Science Saturday- World Migratory Bird Day

What is World Migratory Bird Day?

World Migratory Bird Day (WMBD) celebrates the phenomenon of bird migrations and raises awareness of the challenges birds face during their journeys. It serves as a call to action for bird conservation and connects people to birds around the world. WMBD is officially celebrated on the second Saturday in May (May 9th, 2020) in the U.S. and Canada and on the second Saturday in October (Oct. 10, 2020) in Latin America and the Caribbean. Because birds do not migrate on one day, however, events and programs are hosted year-round.

On **Saturday May 9th** visit Bird Day Live,
<https://www.migratorybirdday.org/birdday-live/>

For fun Bird Day activities like *Story Time*, *Bird Watching Training*, and a *Virtual Festival*!

Activities from World Migratory Bird Day in the America's website (available year-round):

<https://www.migratorybirdday.org/>

1. Play *Plastic Pollution Scavenger Hunt* at home, in your local park or school ground:
<https://cdn1.migratorybirdday.org/wp-content/uploads/2019/03/07225011/Activity-3-Plastic-pollution-Scavenger-Hunt.pdf>
2. Get outside and count some local birds! *Spring Bird Count Data Sheet*:
https://cdn1.migratorybirdday.org/wp-content/uploads/2018/06/25230839/Bird_Count_Data_Sheet-updated.pdf
3. Organize a family trash clean-up and/or bird count using the *Volunteer Bird and Trash Data Form*: <https://cdn1.migratorybirdday.org/wp-content/uploads/2019/03/08001241/2019-FINAL-EFTA-trash-date-form-PRINT.pdf>
